## OUR RUMS

Silver Rum – A small batch rum made from the finest Amish molasses, sugar, and yeast. The double distilled rum is smooth enough to drink by itself on the rocks or with any of your favorite mixes. Make a rum punch and you will taste the molasses flavors only found in small batch craft rums.

750ml - \$30

Spiced Rum – Our Silver Rum infused with vanilla beans, ginger, orange peel, and our own spice blend. There are no colorings or sweeteners added to the Rum after it is distilled. The coloring comes from the whole vanilla beans. If you like a little sweeter drink, we suggest a small amount of agave or simple syrup mixed in or our favorite combination of ginger beer, lime and spiced rum. This is a superb rum to mix with the soft drink of your choice.

750ml - \$35

Coffee Rum – Our Silver Rum infused with organic fair trade coffee beans. Unlike other coffee liquors, we add no colorings or sweeteners to the Rum after it is distilled. This is a great sipping rum served with an ice cube. Or add it to your coffee for a cup of “Cafe Correcto”. This is also the rum for recipes that mix rum and chocolate. It makes the best chocolate rum balls!

750ml - \$35

Pineapple Rum – Our Silver Rum infused with fresh pineapple that has been charred on a charcoal grill. Each batch has 6 pineapples! Not sweet and perfect in any of your summer drinks. Available seasonally.

750ml - \$35

Gold Rum – Our Silver Rum aged to perfection in new oak barrels. All you need to enjoy this smooth, full bodied spirits is a glass and a couple of cubes.

750ml - \$50
